AMENDMENTS TO THE SPECIFICATION

Please replace the 3rd and 4th complete paragraphs on page 10 of the specification with the following amended paragraphs:

Figure 9 is the nucleotide sequence of the human C5 receptor gene (SEQ ID NO. 9).

Figure 10 is the nucleotide sequence of the human C5a receptor gene (SEQ ID NO. 10).

Please insert after page 32, but before the claims, the attached paper Sequence Listing in the specification.
